What does the president do?

The president of the United States is the head of the government and the commander-in-chief of the armed forces. The president is responsible for signing laws, vetoing laws, and appointing judges and other government officials.

Why is Presidents Day important?

Presidents Day is important because it gives us a chance to reflect on the history of our country and the role that presidents have played in shaping it. It is also a day to celebrate the values of democracy and freedom that our country was founded on.
