Description :

All verbs are practical and essential, each of them representing a unique work. It happens that we know many vocabularies but not recalling the related verb, so we would be unable to link them to make a coherent sentence. This book is there to help you so that you can easily create a meaningful sentence by knowing the needed verb with even elementary nouns, adjectives, and adverbs. Having the verbs in mind can help you guess the meanings of other derivatives of verbs. Everyone from the intermediate level up to the advanced level can use this book as a source of verbs. Students, engineers, doctors, lawyers, managers, accountants, business people, psychologists, and anyone interested in the English language can choose this book to enhance
