In a world where children are constantly bombarded with messages of competition and perfection, it's refreshing to find a book that celebrates the simple, yet profound power of love.

My Mom Is Magical, the debut children's book by author and illustrator Hello Lucky, is a heartwarming and empowering tale that teaches children about the unconditional love and acceptance that every child deserves.

The story follows a young boy named Lucky, who is struggling to feel good enough. He compares himself to his friends and classmates, and always feels like he's coming up short.

One day, Lucky's mom takes him on a magical journey to a land where everyone is different and unique. She shows him that there is no such thing as "normal," and that everyone has their own special gifts and talents.

As Lucky learns to embrace his own individuality, he begins to feel more confident and self-assured. He realizes that he is loved for exactly who he is, not for what he can do or how he compares to others.
