My Little Golden About The White House is a beautiful and informative book for young children that tells the story of the White House, from its construction to its present day role as the home of the President of the United States.

The book is written in a clear and concise style that is easy for young children to understand, and it is full of fun and interesting facts about the White House. For example, did you know that the White House has 132 rooms, 35 bathrooms, and 6 levels? Or that the White House is made of sandstone that was painted white to hide the burn marks from the War of 1812?

My Little Golden About The White House is a great way to introduce young children to American history and government. It is also a beautiful book that will be cherished by children for years to come.
