Probert has spent years traveling the globe, capturing breathtaking images of some of the most iconic and remote places on Earth. His photographs are not only beautiful, but they also tell a story about the changing landscape of our planet. In a time when climate change is threatening the very fabric of our world, Probert's photographs serve as a reminder of the importance of protecting our environment.

Panoramas 2002-2024 is a must-have for anyone who loves photography, travel, or the natural world. It is a book that will be treasured for generations to come.

About the Author

Ian Probert is an award-winning photographer who has been capturing the beauty of the world around him for over 40 years.
