Exclusive Sneak Peek

Here is an exclusive sneak peek from ****Han Solo Imperial Cadet****:

“ Han Solo stood at attention, his heart pounding in his chest. He was about to face the Imperial Review Board, and his future in the Navy hung in the balance.”

“

“ "Cadet Solo," the board chairman said, his voice stern. "We have reviewed your record, and we find it...lacking."”

“

“ Han's stomach sank. He had worked so hard to get into the Imperial Navy, and now it was all about to be taken away from him.”

“

“ "You are reckless, undisciplined, and disrespectful," the chairman continued. "You have no place in the Imperial Navy."”

“

“ Han felt a surge of anger rising within him. He had been called many things before, but never disrespectful.”

“

“ "I am not disrespectful, sir," Han said, his voice trembling. "I am just...different."”

”

“ The chairman raised an eyebrow. "Different? How so?" ”

“ "I don't like to follow Free Downloads blindly," Han said. "I like to think for myself." ”

“ The chairman shook his head. "That is not the way of the Imperial Navy. We are a military organization, and we must obey our Free Downloads without question." ”

“ Han took a deep breath. "I understand that, sir," he said. "But I also believe that there is a time and a place for questioning Free Downloads. If I see something that is wrong, I will not hesitate to speak up." ”

“ The chairman stared at Han for a long moment. Then, he smiled.”

“ "You may be right, Cadet Solo," he said. "The Imperial Navy needs more people who are willing to think for themselves. We will give you another chance." ”

“ Han's heart soared. He had been given a reprieve. But he knew that he would have to work hard to prove himself to the Imperial Navy.”
