In the world of skiing, there are few books that have had as profound an impact as "Steering Your Skis" by Swedish ski instructor Richard Lange. First published in 1996, the book has been translated into 14 languages and has sold over 1 million copies worldwide.

Lange's book is a comprehensive guide to skiing that covers everything from basic technique to advanced racing techniques. It is written in a clear and concise style, and is packed with useful tips and exercises.

One of the things that makes "Steering Your Skis" so unique is Lange's emphasis on steering. Lange argues that steering is the key to skiing well, and he provides detailed instructions on how to steer your skis effectively.

In Part 2 of "Steering Your Skis", Lange takes his teachings to the next level. This book is a comprehensive guide to ski performance, and it covers everything from how to improve your balance and coordination to how to ski faster and more efficiently.

Like the first book in the series, Part 2 is written in a clear and concise style, and is packed with useful tips and exercises. It is also beautifully illustrated with hundreds of photographs and diagrams.

If you are serious about improving your skiing, then "Steering Your Skis Part Ski Performance Breakthrough" is a must-read. This book will help you to master control, improve balance, and experience unprecedented freedom on the slopes.

**Here are just a few of the things you will learn from "Steering Your Skis Part Ski Performance Breakthrough":**

- How to steer your skis effectively

- How to improve your balance and coordination
- How to ski faster and more efficiently
- How to carve turns like a pro
- How to ski moguls and powder
- How to ski in all conditions

If you are ready to take your skiing to the next level, then Free Download your copy of "Steering Your Skis Part Ski Performance Breakthrough" today.
