There's a Zombie in My Bathtub #5 (Here's Hank) by Henry Winkler

★★★★☆ 4.8 out of 5

In this delightful children's book, Hank is a zombie with a heart of gold. He loves to play, eat brains (of the candy variety), and take baths. But when he's not doing those things, he's just like any other kid. He goes to school, plays with his friends, and even has a crush on the girl next door.

But Hank's life is anything but ordinary. After all, he is a zombie. And that means he has to deal with all the challenges that come with being undead. Like how to keep his brain from falling out, or how to avoid getting eaten by other zombies.

But through it all, Hank never loses his sense of humor. He's always up for a good time, and he loves to make people laugh. So if you're looking for a book that's funny, heartwarming, and just a little bit spooky, then look no further than "There's a Zombie in My Bathtub, Here Hank!"
