Print length : 274 pages

The author, a child development expert, draws on years of experience to share practical tips and strategies that will help you:

- Set realistic expectations for your child
- Praise your child's effort, not just their achievements

- Help your child learn from their mistakes
- Encourage your child to take risks and try new things
- Build your child's self-confidence and resilience

With this book, you'll learn how to create a positive and supportive home environment that will help your child thrive. You'll also learn how to communicate with your child in a way that encourages them to believe in themselves and their abilities.

This book is an essential resource for any parent who wants to help their child reach their full potential. It is filled with practical advice and strategies that will help you create a positive and supportive home environment for your child.

What People Are Saying About This Book
